

Participant Consent Form

AI-Assisted Suspicious Behaviour Detection in Exam Rooms

I have been informed about the purpose and procedure of this data collection session. I understand that:

Video footage will be recorded of me in a mock exam setting using a fixed camera. The footage will be used solely for training and evaluating a university project on AI-assisted exam proctoring. My identity will not be shared outside the project team. No audio will be recorded. I may withdraw my consent at any time, in which case all footage featuring me will be deleted.

By signing below, I confirm that I have read and understood the above and I voluntarily agree to participate in this data collection session.
